

# THINK AGAIN

DEVELOPMENTAL DELAY? HEPATOSPLENOMEGALY? ATAXIA?

Have you checked for eye movement abnormalities?

Could it be **Niemann-Pick type C disease (NP-C)**?

**NP-C IS A TREATABLE DISEASE. IT AFFECTS ALL AGES.**

**THINK AGAIN  
THINK NP-C**

Find out more at [www.think-npc.com](http://www.think-npc.com)

This is a project co-ordinated by the International Niemann-Pick Disease Alliance

PROGRESS TOGETHER
